THE MISSING PIECE
TO YOUR MARKETING

Web Directory Listing Service

UPDATE OVER 100+ WEB DIRECTORIES FROM ONE SOURCE!

Every month, online consumers perform over 3 billion local searches for nearby products and services - *do you know if you are listed on the most popular searching sites?* The effectiveness of your local search strategy makes all the difference when it comes to widening your pool of potential customers and creating footsteps right to your door.

UPDATE ONCE, UPDATE EVERYWHERE!

FootSteps Marketing helps you easily take and maintain control of your local search business listing identities - especially your anchor name, address and phone information - whether you have multiple locations or just one. We ensure that only authorized users can access your account and make changes to your business listings. You can update your business information whenever and how often you wish - 24/7. These changes are then automatically reflected on over 100+ directory listing websites and over 20+ directory listing mobile apps.

WE KNOW WHERE YOUR BUSINESS SHOULD BE LISTED!
